TITLE: Personal Responsibility Education Program (PREP)

Multi-Component Evaluation Extension

OMB NO.: 0970-0398

DESCRIPTION: The Family and Youth Services Bureau (FYSB) and the Office of Planning, Research, Evaluation (OPRE) in the Administration for Children and Families (ACF) are requesting an extension without change of a currently approved information collection (OMB No. 0970-0398). The purpose of the extension is to complete the ongoing follow-up data collection for the Personal Responsibility Education Program (PREP) Multi-Component Evaluation, which was designed to document how PREP programs are designed and implemented in the field, collect performance measure data for PREP programs, and assess the effectiveness of selected PREP-funded programs.

The PREP Multi-Component Evaluation contains three components: a Design and Implementation Study, a Performance Analysis Study, and an Impact and In-Depth Implementation Study. Data collection related to the Design

and Implementation Study is complete; data collection related to the Performance Analysis Study will be complete in late summer 2017. This notice is specific to data collection activities for the Impact and In-Depth Implementation Study, which is being conducted in four sites. The proposed extension is necessary to complete ongoing follow-up data collection. The resulting data will be used in a rigorous program impact analysis to assess the effectiveness of each program in reducing teen sexual activity and associated risk behaviors.

RESPONDENTS: Youth participants who agreed to participate in the study upon enrollment in the four impact study sites.
